
ACCOUNTANT CV

An accountant is an expert in recording, analyzing, summarizing, and reporting the financial status of a business. He or she may practice privately or be employed in an accounting firm, private companies, or in the government. An accountant is knowledgeable in the different methods of recording financial transactions, trustworthy in record keeping, and smart in making financial statement of the business. Accountants also conduct audits and report the assets, liabilities, and income of a business. Below is an Accountant CV for your reference.

Darrel Horn

Ap #194-2690 Dolor Road, Ludlow, Shropshire RA91 5RE Date of Birth: 8th March, 1990

Email: [email] Mobile: 07972 008362 Tel: 01999 733608

PERSONAL OBJECTIVE:

With my ability to interpret financial data, reaching realistic owner's equity is always possible. My vast experience in conducting financial audits with the different sectors allowed me to widen my knowledge and expertise, which is necessary and applicable to this position. I am focused, learned, and highly knowledgeable in the field of accounting and technology. One of the goals I want to realize is to prepare a financial report that is understandable and accurate to the management's needs and submit the same promptly.

SKILLS PROFILE:

Solid understanding and experience in Accounts Payable and Accounts Receivable ledgers and credit control
Wide expertise and experience in commercial accounting and financial reporting environment
Extensive knowledge in journal processing, accounting adjustments and year-end adjustments
Strong working knowledge of Payroll, year end PAYE issues, VAT rules, Inventory accounting, Standard cost management and UK GAAP
Strong ability to interpret financial issues in a business context and present them accordingly

EDUCATIONAL QUALIFICATION:

BA in Accounting University of Wolverhampton	Wolverhampton 2008 to 2011
A Levels in Mathematics, Physical Education and Religious Studies Cadbury sixth form college	Birmingham 2006 to 2008
8 G.C.S.E's (including English, Maths and Science) Small Heath School	Birmingham 2001 to 2006

PROFESSIONAL EXPERIENCE:

Orbitz, LLC Accountant	London January 2012 to Present
