
AUTOCAD DRAFTSMAN CV

In writing the CV of an AutoCAD Draftsman, it is recommended to highlight information that would give the employer the impression that you will be competent for the position. Such data may include your expertise with utilizing various softwares (3d Studio Max, Sketchup & Vray, etc.), and relevant experience with graphic designing, animation, drawing preparations, and technical submittals. Employers are likely to prefer applicants with an educational background on engineering and architecture, so stress out these things as well. Make sure to present a detailed professional history in reverse-chronological order. Below is a sample AutoCAD Draftsman CV for your perusal.
