

HEAD TEACHER CV

In crafting a CV of a Head Teacher, it is necessary that you give the potential employer the impression that you can be competent for the job at first glance. It is ideal if you highlight information that implies professional leadership capabilities. Showcase your extensive teaching experience and activities related to staff development and performance management. Excellent interpersonal and management skills, ability to instigate curricula and teaching improvement, and the dedication to raise standards are necessary to succeed in this job. A sample Head Teacher CV is presented below to help you create a CV with an edge above others.

Sonya Bowers

5075 Morbi St., Whitburn, West Lothian, R5 5LM Date of Birth: January 20th, 1990

Email:[email] Mobile: 07408 669942 Tel:01824 454009

PERSONAL PROFILE:

My main goal is to impart professional leadership in an educational institution which will result to overall high quality education for its students. I aim to collaborate harmoniously with the governing board, faculty, staff, and the parents in achieving this goal. In my two years of experience as head teacher in two different institutions, I have successfully motivated the staff towards greater achievement, ensured the standards of learning are upheld, and enhanced my leadership and teaching abilities while doing so. If given the chance, I am willing to use my expertise to help the institution achieve growth both pedagogically and commercially.

PERSONAL SKILLS AND COMPETENCES:

Hands on experience in managing all school teachers in primary school
Exceptional knowledge of local curriculum of school
Remarkable knowledge of developing various teaching strategies
Ability to development current strategies for all students as well as teachers.
Ability to interpret theories for early child development
Proficient in various online educational tools
