

ICT TECHNICIAN CV

In creating an ICT Technician CV, you should highlight aspects that will convince the employer of your technical efficiency for the job. Such aspects include experience with IP networking, wireless systems, domain environments, network performance monitoring, virtual designs, graphical design products, and IT legislation should be stressed out. The educational section and working history must be given importance. Usually, employers give credit and favor applicants who finish a degree in Information Technology or other related courses. Make sure to place the most recent employment on top of the list. Below is a CV of an ICT Technician for your perusal.

Reed Andrews

Ap #813-6677 Tincidunt Ave, Brentwood, Essex, M95 7RJ Date of Birth: August 1st, 1991

Email: [email] Mobile: 07782 939897 Tel: 01407 271565

CAREER AIM:

My primary goal is to apply my technical skills for the development, installment, and maintenance of ICT systems and networks and provide all kinds of technical ICT support. One of my objectives is to install the most efficient systems to be utilized as well as implementing ICT solutions to address arising issues. My experience as an ICT Technician in two different companies enhanced my expertise in configuration and management of networks as well as my troubleshooting specialties. Aside from that, I am also a productive team player. This being said, I can positively say that I will be an asset to the company.

SKILLS PROFILE:

Hands on experience in preparing an IP network and monitoring network performance
Exceptional knowledge of all virtual servers for networking
Immense knowledge of using various graphic design software
Ability to connect computers to an existing network
Ability to configure networks as per security requirements
Proficient in workstation operating systems

EDUCATIONAL BACKGROUND:

BSc (Hons) in Information Technology	Glasgow
Glasgow University	Oct 2009 – Jul 2012
A Levels in Computing, Mathematics, Physics, Chemistry, English Language	Stafford
Stafford College	Sep 2007 – Jul 2009
GCSEs: Maths, Physics, Chemistry, English Language	Eltham
