

LABORATORY ASSISTANT CV

In writing a Laboratory Assistant CV, present information in ways in which the reader would immediately find qualities required for the job. Highlight information such as experience working in a laboratory; abilities to perform analytical laboratory techniques; operate laboratory equipment and information systems; and understanding of laboratory etiquettes. Strong objective, analytical, and technical skills are necessary to perform the duties of a laboratory assistant. Present your educational attainment, training/certifications, and professional experience in reverse chronological order to increase your professional credibility. A sample CV of a Laboratory Assistant is presented below to help you create a CV that will stand out.

Colton Page

Ap #260-750 Vulputate Ave, Grantham, Lincolnshire, TF2K 6DH Date of Birth: July 6th, 1991

Email: [email] Mobile: 07793 354293 Tel: 01429 515278

PERSONAL OBJECTIVE:

My objective is to provide general support to laboratory technicians and specialists in the completion of routine and experimental laboratory procedures that comply with quality and HSE standards. I aim to impart my abilities in acquiring samples, records keeping, inventory, equipment operation and maintenance, specimen testing/analysis, and other procedures associated with laboratory work. My years of experience broadened my understanding of laboratory processes and enhanced my capabilities in performing these tasks. I also aim for continuous enrichment of my knowledge and abilities. I am confident that I can be a beneficial member of the laboratory team and look forward to contributing towards professional and commercial growth.

KEY SKILLS & QUALITIES:

Hands-on experience in working as Laboratory Assistant
Good knowledge of laboratory practices and techniques
Deep knowledge of laboratory information system
Skilled in operation of automated lab equipment
Ability to safely handle and store samples
Ability to safely use lab equipment and tools

QUALIFICATIONS:

BSc (Hons) in Microbiology Loughborough University	Loughborough 2009 – 2012
A-levels: English Language, Chemistry, Maths, Physics Hillcroft College	Surbiton 2007 – 2009
GCSEs: English Language, Chemistry, Maths, Physics Finchley Catholic High School	Finchley 2002 – 2007
