Searching for a challenging career as Truck Driver of well-established firm in which to put my driving skills to the test

Highlights of Qualifications:

- Hands-on experience operating a bulk tanker
 - In-depth knowledge of safe driving practices
 - Familiarity with all aspects of customer complaints and disputes
 - Ability to deal with stress and the needs of older adults
 - Ability to safely and efficiently operate a motor vehicle
 - Ability to navigate and read a map
 - Excellent written and oral communication skills
-

Professional Experience:

Truck Driver

Dairy Farmers of America, Inc., Norristown, PA

August 2005 – Present

- Monitored route volume and tickets to keep loads full and determine most efficient routing.
- Monitored delivery plants and upgraded Plant Issue tracking file.
- Monitored daily the DFA GPS tracking of trucks, drivers and routes.
- Assigned trailers on schedules to reduce CIP needs and coordinated with other areas to do same.
- Responded to unscheduled producer requests by assigning available drivers.
- Solved issues that arose to assure timely pickup and delivery of milk to processing plants.
- Drove trucks as needed—overload, vacations and leave time.
- Solved payroll and time keeping questions per request.
- Maintained proper chain of custody for daily paperwork.

Truck Driver

HD Supply, Norristown, PA

May 2000 – July 2005

- Managed the loading and dispatching of all routes.
 - Conducted routine inspection of vehicle and supplies to assure road safety.
 - Coached and mentored new and existing members.
 - Provided timely feedback to management on team's performance.
 - Prepared and maintained records in compliance with company policies and procedures.
 - Delivered merchandise to customer and contacted customer if they are not present.
-
