
Lineman Apprentice Resume

Job Objective

Dedicated Lineman Apprentice looking for an opportunity to work for a reputable company where my skills and the talents I have will be of value. While I do not bring practical experience, I do have the knowledge to learn quickly.

Highlights of Qualifications:

- Operational knowledge of materials, tools, and equipment in power line construction, repair, and maintenance
 - Sound knowledge of electricity as applied to distribution systems and occupational hazards
 - Familiarity with proper safety precautions of the line repairer trade and profession
 - Ability to learn to climb poles with a climbing belt and hook
 - Ability to understand and follow oral and written instructions quickly and accurately
 - Excellent communication and teamwork skills
 - Good mathematical and reasoning skills
-

Professional Experience:

Lineman Apprentice
Touchstone Energy, Port St Joe, FL

- Installed and repaired the cables and wires used in electrical power and distribution systems.
- Adhered to safety practices and procedures.
- Identified and removed electrical hazards from disturbed lines.
- Climbed poles to access equipment.
- Insulated and fireproofed conductors and joints.

Lineman Apprentice
Xcel Energy, Port St Joe, FL
May 2000 – July 2005

- Ensured adherence to safety procedures while working with the hazardous materials.
 - Completed training to work safely and ensured thorough understanding of safe working procedures.
 - Responded to the emergency call-outs.
 - Participated in apprenticeship program.
 - Assisted in construction, maintenance, repair and service of electric utility.
 - Helped DPW with street, water and sewer work.
-

Education:

Associate Degree in Electrical Engineering
Trinity Valley Community College, Athens, TX
