
MUD LOGGER CV

In making Mud Logger CV, it is best to have a skills section that would display your areas of expertise at first glance. Impress potential employers by presenting information such as experience in mud logging along with your areas of expertise: well logging procedures, sample descriptions, inspections etc. It is also beneficial to have a good understanding of petroleum industry terminologies. Good management, analytical, and organizational skills play a huge role in becoming a successful mud logger, and it is best to present these qualities in your CV. A sample CV of a Mud Logger is presented below for your reference.

Timothy Ortiz

P.O. Box 600, 9980 Nunc Street, Dundee, Angus, G9 3MF Date of Birth: June 16th, 1990

Email: [email] Mobile: 07728 318507 Tel: 01494 744729

PERSONAL PROFILE:

My primary goal is to provide useful information comprising drilling parameters to an operations team to support efficient operations and optimize company efforts. Equipped with solid background in the drilling industry, as well as strong analytical, management, and technical skills, I am positive that this goal can be achieved. My years of experience as Mud Logger for two different companies provided me with critical first-hand knowledge and sharpened my data -acquisition, processing, analyzing, and recording skills. I aim to continuously improve my abilities, and if given the chance, use these to provide a positive contribution for the success of the company.

SKILLS PROFILE:

Hands-on experience in monitoring all logs and managing various mud logging activities
Remarkable knowledge of all industry terminology
Exceptional knowledge of geology and associated engineering processes
Ability to perform audit on all local operations
Ability to coordinate with multiple teams to complete the project
Familiarity of various mechanical equipments for mud logging processes

QUALIFICATIONS:

BSc (Hons) in Geology Staffordshire University	Beaconside September 2008 to July 2011
A-levels: Geology, English Language, General Studies Orchard Hill College	Wallington October 2006 to July 2008
GCSEs: Geography, English Language, Physics, Chemistry Graveney School	Tooting September 2001 to July 2006
