

# NEUROLOGIST CV

Below is a CV of a Neurologist where the key qualities for this esteemed position are highlighted. Importance should be given in organizing your credentials (education, training, certifications, licensure) as well as providing a detailed summary of your duties and responsibilities in past employments as a Neurologist. Among the things that you could stress out are your practice in diagnosis, treatment, rehabilitation, neurological counseling, as well as emphasizing any work done in the research arena. You can cite published works or certifications in your CV as well. Make one that will stand out with the sample Neurologist CV presented below for your perusal.

## Kai Cunningham

Ap #592-7113 Faucibus Avenue, Brighton, Sussex, C23 5NN Date of Birth: July 23rd, 1987

Email: [email] Mobile: 07443 016188 Tel: 01881 399174

### PROFILE:

My primary goal is to administer sound clinical judgments and treatment to patients as well as to fellow health professionals seeking my counsel. As a Neurologist, I aim to be as accurate as possible in diagnosing neurological disorders via thorough conduct of procedures and in collaboration with other health specialists. One of my objectives is to conduct clinical trials to expand knowledge base concerning the lesser known neurological and central nervous system disorders. It is also my goal to develop individualized treatment plans and monitor patients' progress thoroughly to ensure optimal healthcare delivery. With this said, I look forward to contribute for the growth of the institution.

### SKILLS PROFILE:

Hands-on experience in performing surgeries and practicing medicine as a neurologist  
Immense knowledge of various procedures for diagnosis and treatment  
Excellent knowledge of plant and animal organisms  
Ability to manage all sensitive subjects efficiently  
Ability to complete academic training program successfully  
Familiarity of all clinical care systems

### QUALIFICATIONS:

M.D. in Neurology	Kingston Upon Thames
Kingston University	October 2010 – July 2012
MBChB	Derby
University of Derby	September 2005 – July 2010

### PROFESSIONAL EXPERIENCE:

Chelsea and Westminster Hospital	London
Neurologist	April 2013 – Present

- Coordinated with patients and obtained all necessary information for correct diagnosis.
- Assisted to identify the accurate neurological system disease.
- Interpreted all outcomes for various procedures and diagnostic tests for neurological diseases.
- Monitored all patients coming to the outpatient department for neurological issues.
- Provided support to all neurology services provided in the hospital.
- Informed patients and families of any neurological diseases and provided cost of treatment.

Royal Shrewsbury Hospital	Telford
Neurologist	October 2012 – April 2013

- Interpreted all laboratory results and analyzed all patient samples.
- Provided physical therapy and associated nursing care to all patients.
- Coordinated with neurological service department for all health issues.
- Collaborated with various sub specialists on all medical issues.
- Supervised efficient working of all medical technicians and performed required diagnosis.
- Monitored patient behavior to medicine and analyzed for any side effects.
