
Pattern Cutter Resume

Job Objective

To use my training and experience as a Pattern Cutter and serve the company to the best of my abilities.

Highlights of Qualifications:

- Substantial experience of pattern designing, layout, cutting and alteration
 - In-depth knowledge of draped and flat methods of pattern cutting
 - Remarkable knowledge of clothing calculation, fabric measurement and garment construction
 - Familiarity with working with design sketches and improving quality standards
 - Ability to maintain positive relationships with machinists, designers and clients
 - Ability to detect wrong patterns and amend them accordingly
-

Professional Experience:

VF Corporation, Lansing, MI
August 2012 – Present

Responsibilities:

- Determined various sizes and layouts of patterns, in an efficient manner.
- Marked and cut out pattern templates using sketches drawn by fashion designers.
- Prepared pattern templates for specified ranges of garment sizes.
- Checked pattern templates for conformance to specifications and quality standards.
- Used pattern cutting techniques for production and modification of patterns.
- Liaised with designer, sample machinist, fabric team and embroiders during pattern and cloth production.

Pattern Cutter
Volt Workforce Solutions, Lansing, MI
May 2009 – July 2012

Responsibilities:

- Draped, shaped, fitted and secured clothing material over a mannequin, properly.
 - Created patterns for initial and fit samples according to customer requirements.
 - Attended sample fitting sessions to determine any requirements for pattern alterations.
 - Inspected and made alterations to non-standard pattern, as needed.
 - Produced product patterns and supported bulk manufacturing of that product.
 - Maintained strong professional relationships with designers, sample machinists and buying teams.
-

Education:

High School Diploma
Sand Point School, Sand Point, AK
