
RETAIL INVESTIGATOR RESUME

Career Objective:

Accomplished Retail Investigator searching for opportunity to put my skills and past experience to work to help company reach both short and long-term goals.

Summary of Qualifications:

- Vast experience in retail Investigation and Loss Prevention management
- Profound knowledge of retail store operations
- In-depth working knowledge of Criminal Code and its application relating to crimes in a retail environment
- In-depth knowledge of all areas of Assets Protection, internal and external investigations
- Proficient with electronic detection equipment
- Ability to work independently
- Strong investigation and interview skills
- Excellent verbal and written communication skills

Work Experience:

Retail Investigator, August 2005 – Present
TJX, El Cajon, CA

- Managed and coordinated strategies which decreased organized external fraud activities.
- Performed specialized and complicated investigations to solve substantial organized retail crime, theft and fraud.
- Conducted and assisted in other high-level investigations as assigned.
- Interacted with Regional and District Loss Prevention Managers within a market on all matters pertaining to external fraud.
- Developed alliances with high-level Federal, state and local law enforcement agencies, which increased prosecution and restitution opportunities.

Retail Investigator, May 2000 – July 2005
Winners, El Cajon, CA

- Detected and investigated people and persons committing theft and fraud against stores and facilitated their civil and criminal prosecution.
- Completed the prosecution process: reported to police, attended court and testified as required.
- Established partnerships with Loss Prevention members, store management and external agencies including the Police.

Education:

Bachelor's Degree in Business Administration, Indian River State College, Fort Pierce, FL
