- In-depth knowledge in Transportation Planning

---

## Awards and Affiliations:

---

Member, Institute of Transportation Engineer  
Member, Traffic Engineering Association

## Sample #2

Ronald White  
1234 East Street,  
Alpine,  
CA, 91903  
123-456-7890  
[email]

---

## Objective:

---

To be able to work as a Traffic Engineer in a highly technical company where my skills in telecommunications and other network routing and configurations will be fully utilized to achieve the company's objectives.

---

## Education:

---

MA in Telecommunications, 2003  
University of Utah

BS Electrical Engineering, 1999  
University of Utah

---

## Skills:

---

- Skilled in switching platforms
  - Has in-depth knowledge of VOIP, PSTN and telecommunications transport
  - Expert in call routing and configurations
  - Strong computer skills
  - Working knowledge in databases
  - Strong communication skills
- 

## Professional Experience:

---

- Traffic Engineer III, 2007-present
  - Hakuodo, Inc., Alpine CA
- 

## Responsibilities:

---

- Collaborated with the Applications Engineer for generating solutions and technical strategies.
- Optimized the performance of telecommunications by analyzing and regulating flow of traffic.
- Provided solutions to traffic inconsistencies using VOIP and PSTN.

- Traffic Engineer II, 2005-2007
  - Halcrow Group, Ltd., Alpine, CA
- 

## Responsibilities:

---

- Provided support to the technical team in routing calls and switching platforms.
- Developed complex traffic designs for switching platforms.
- Worked on multiple databases in analyzing traffic communications flow.

- Traffic Engineer I, 2003-2005
  - Halliburton Company, Alpine CA
- 

## Responsibilities:

---

- Collaborated with the Applications Engineer for generating solutions and technical strategies.
- Optimized the performance of telecommunications by analyzing and regulating flow of traffic.
- Provided solutions to traffic inconsistencies using VOIP and PSTN.

- Traffic Engineer II, 2005-2007
- Halcrow Group, Ltd., Alpine, CA

## Certifications and Affiliations:

---

Certification in Test and Traffic Engineering  
Association of Traffic Engineers in Alpine
